Flávio Jardim

Junior Software Developer at PRIMAVERA Business Software
Solution

Braga, Portugal

Summary

I'm a young Software Engineer with experience and extensive formation in application development and software design. I'm a tech enthusiast and I also have a passion for fashion.

I think my best strengths are: determination, dedication, and responsibility. I'm always striving to bring 100% to the work that I do. Good communication and interpersonal skills. Good teamwork skills. I'm always available to help and learn. Critical thinking for problem-solving.

Main specialities: Software Engineering; Understand Software Engineering Best Practices; Ability to Analyze Complex Technical Information; Analyze, Design and Implement Database Structures; Experience with Web & Hybrid applications development, i.e., AngularJs and ECMAScript; Frontend skills, e.g., HTML5, JavaScript, CSS, Sass; UI/UX skills; Experience with Multiple Coding Languages, e.g., Java, C/C++, C#, PHP; Microsoft ASP.NET MVC, Web API; Experience Experience With Source Code and Version Repository; Previous Experience Working Within an Agile Scrum Team;
